

NOTE: If your child already attends school at BECC, parents/guardians will only need to renew information. New enrollees will need to go through the complete registration process.

2019-2020 School Year Registration

Kindergarten Online Registration PreK registration in NOT online and must be done at the school site

You must contact BECC to begin the process.

Kindergarten Open Enrollment – Accepting all students.

PreK Enrollment – The PreK program is a state funded voluntary service provide to families. Families are encouraged to apply for a spot for their child, however; applying does not guarantee that a child will be selected to attend. Parents interested in enrolling their students must go to BECC and sign up for a screening. First screening dates available are May 20-24, 2019. After The screening, parents will be notified if their child is selected to attend. When our classrooms are full, your child will be placed on a waiting list. Children are not required to live within the school district to attend preschool at BECC, although a priority is given to students who reside in the Bloomfield School District attendance boundaries.
