

Bloomfield Schools BobcatWifi Login

Below are the instructions for connecting to the BobcatWifi network using a MacOS Device.

MACOS COMPUTER

<p>1. Click on the “Network” icon in your Menu Bar, and select “BobcatWifi” from the list. Use “gobobcats” as the password and wait for it to connect. You will now be connected to the BobcatWifi network but you will not be able to fully view websites and apps until you do the below instructions.</p>	
<p>2. Open a web browser (Chrome) and go to “www.bsin.k12.nm.us”. You will need to navigate to following menu Departments > Technology Services > Wi-Fi Security Certificate. Please read the Wi-Fi Service Agreement and tap the “Download BobcatWifi Security Certificate Here” link.</p>	
<p>3. Click Download on the next page, and then “Keep” if it warns you about the file. After it finishes downloading, open the file. It will launch the Keychain Access settings page and ask for your admin access. Double click the Bloomfield Smoothwall Certificate to open it.</p>	
<p>4. Click the drop down arrow next to Trust to reveal more options. Change “When using this Certificate” to Always Trust. It may ask for your admin credentials when making these changes.</p>	
<p>5. You will have to restart your browser, but you are now connected to the BobcatWifi and the Internet.</p>
