BLOOMFIELD BOBCAT TRACK HISTORY
HISTORY OF TEAM SUCCESS IN DISTRICT AND
STATE CHAMPIONSHIPS**

62nd Annual Bloomfield Invitational Track Meet 2021 62 Years of Success

The meet was started in 1959 (the first graduating class) by coaches Jerry Morgan, Charles Shaw, and Curtis Clement. The track as well as the end of the year athlete award is named after Mr. Clement.

These three coached the Bloomfield track team until 1962. In 1963 John Salvo took over as head coach. Salvo coached until the spring of 1965. In 1966 Marvin McSmith replaced Salvo and coached until 1975. In 1976 Curtis Clement once again took over the track program for three years. Terry Boyd had a one-year stint in 1979. Coach Phillip Sategna took over the program in 1980 and coached 33 year as the head coach of the Bobcats. Coach Sategna retired in 2012. Robert Griego took over the boys program in 2013. He is on his 9th year.

Girls track didn't start until 1975 at the high school, previous to that it was called GAA (Girl's Athletic Association). The girl's program was going on at the same time as the boys but wasn't recognized until 1974. Title IX changed all of that. The first coach is unknown for 1975. Curtis Clement coached both boys and girls in 1976. Beverly Mignerey coached the girls in 1977 and 1978. Bill Marley coached from 1979-1988, followed by Millard Glass from 1989-1991. Randy Jackson took over in 1992 and coached until 2000. Jeanne Sategna took the program in 2001 and retired at the end of 2011. Robert Griego became the girl's head coach in 2012. Robert Griego took over as head boy's coach in 2013.
