

# Bloomfield Schools

October 9, 2020

Athletes, parents, and community members,

It is with the deepest regret that I have to inform you that fall sports scheduled to begin competitively have been postponed until further notice from the Governor's office.

I believe that athletics play a pivotal role in the social and emotional growth of our students. Athletics teach our students to set goals and through perseverance and dedication those goals are achievable. Athletics are also a great motivation to excel academically, because they are student-athletes.

I want to assure you that I will continue to work tirelessly with the support of our district administration to advocate for our athletes. I leave with you our NMAA motto, "WE WILL PLAY AGAIN NM." Please know that this will not define us!

Sincerely,

X
