Visits can take place over the phone or computer. Call Ms. Rita to Enroll 505-215-1999

**This program provides families with individual support and information on how to help their child develop strong pre-literacy skills needed to succeed in elementary school. A book is provided to each child along with activities and information to develop a literacy foundation for their child’s individual age and development.**

**Please call Ms. Rita at 505 215-1999 to arrange a virtual visit for you and your child. These visits are held monthly and arranged at a time that will work within your family’s schedule.**
